

Light from the Word's Ministry Year 2017 in Review

We thank God for all our prayer and financial supporters for your contributions in advancing the Good News. These are the results of your faithful giving to the ministry of Light from the Word. We pray God will bless you as you look at these pictures from Pastor Manori's reports.

These are the orphan children under the care of Pastor Manori.

Healing: A member of our congregation was recently hospitalized; diagnosis results showed brucellosis, an infectious disease from bacteria in animals. We went visiting him in hospital and we prayed for him. We thank God for answering our prayers. The family is so happy and thankful that he is back and healed.

The evangelism team reached many different areas during their outreach as evangelism continued, reaching homes and many families. Dozens of people have accepted the Lord through the outreach ministry and the preaching of God's Word.

Dozens of Bibles have been purchased for individuals in their own language.

This is the new church building – another of God's provision.

New chairs were bought for the church building.

Bible studies. We had our first group ever studying the word with more Bibles available to read from. We organized for some families coming together for Bible study which went successful.
